Helsingborg is a coastal city in southern Sweden located in Skåne. With a population of around 150.000 people, it's the eighth-largest city in Sweden

Kärnan - One of Helsingborgs most famous landmarks is Kärnan, a medieval fortress tower that dates back to the 14th century. It was part of a larger castle that once defended the city and offers panoramic views of Helsingborg and across the strait to Denmark.

Helsingborg Harbor is one of Sweden's largest and most important ports, both historically and in modern times.
